

BIBLE QUIZ SCHEDULE 2014–2015 For the SOUTHERN CALIFORNIA NETWORK

Bible Quiz (BQ) is a great opportunity for the young person of your church to get into the Word. The district BQ programs offer a structured team competition format as well as in-depth study of God's Word.

The purpose of the BQ program is to –

- 1) **Encourage**, by systematic study, an in-depth understanding of God's Word among young people;
- 2) **Motivate** youth to memorize and make daily application of the Word;
- 3) **Cultivate**, through competition, a proper attitude toward winning and losing;
- 4) Provide opportunity for **discipleship** to take place among youth so that they will reflect the Spirit of Christ in attitude and action; and
- 5) Provide, through travel and competition, opportunities to expand **Christian fellowship**.

Monthly tournaments offer both competition and fellowship with young people from other churches. Team practices allow each church to create a discipleship/small group program catered specifically to the needs of their students. Further, teams across the nation can compete on a regular basis in local, regional and national tournaments.

NOTE: 1. The JBQ PeeWee division questions contain no 30-point questions (twelve 10-pointers, eight 20-pointers).

June 13–15, 2015 JBQ National Festival	Calvary Church Naperville, IL	National Finals A–Division (ONLY) cards #1 – 576

A Division – any team whose membership generally includes quizzers who participated in the District Finals meet during the past season (eligible grades 1–6). Teams wishing to compete at Districts, Regionals, must compete in this league during the season.

B Division – any team whose membership consists of first-time quizzers (seasoned quizzers may be allowed to compete depending on the previous season's stats). Coordinator will discuss exceptions with coaches (eligible grades 1–6).

PeeWee – any team whose membership solely consists of quizzers who are in grades K–3*. These teams may continue to compete in PeeWee for more than one year. High achieving 3rd grade point earners may be asked to move up to the next level.

**The Network Coordinator can make final changes to a team's Division assignment based on age or ability.
