Show Your Thanksgiving!

In the foyer you will find a table calling you to reach out and share your thanksgiving with somebody today! Listen as the Lord places someone on your heart and take a moment to write a note of encouragement to them. Place the note in the holder, or if the person is not an attender at WCA, take the note home with you and be sure to deliver or mail it! You can make a difference in someone's life today!

Name Tags

We want our church to feel like “coming home” - a place to feel safe, secure and accepted while getting to know Jesus. One way to do that is to make it easy for visitors to identify us and us them. Please get in the habit of picking up your name tag from the entrance table and returning it after the service. Encourage visitors to wear it too!
