Pastor Jean Morgan's mom rushed to the hospital with a possible heart attack, but later diagnosed with gallbladder issues. She is at home, but has been restricted from traveling with the family.

Peter HaugoPeter has been dealing with all the issues of his family, especially now after his dad's latest stroke. Both parents have now been diagnosed with dementia and will need to have arrangements made for their care, Peter is also in the process of getting power of attorney to be able to handle their affairs. Please pray for this man's difficult situation and that
